

The "**Senior Contributor Award**" will be presented to all of the UNITECR distinguished life members (DLM) to recognize their efforts in supporting and promoting the ongoing series of UNITECR meetings, and to celebrate the great success of UNITECR meetings which have now been held regularly for 28 yrs., if the two prior international refractory congresses in Tokyo, 1983 and 1987, are included.

All of the DLM that attend UNITECR 2011 will be introduced and presented a certificate and specially designed memorial badge at the banquet closing ceremony on November 2nd, 2011. The certificate and badge for the other DLM's will be sent after the Congress.
