

Important Notice from Program Committee

Since our activity was frozen for a certain period due to the 3.11 disaster attacked Japan, we would like to extend the due date of manuscripts submission a month from the end of May to June. Because the date is also due for payment of the registration fee for speakers, it is also appropriate for them to decide attendance finally, and they can have more time to decide by judging the travel safety in Japan.

Due date of manuscripts for abstract and proceedings: June 30th, 2011

(*24:00 Japan time = GMT + 0:900)

We are looking forward to seeing all of colleagues from all over the world.

Sincerely yours,

Eizo Maeda,
Chair of Program Committee,
